

FOOTNOTES

November 2022

The Nutcracker

Dress Rehearsal
Friday, December 16th

Performances
Saturdays, December 17th
Sunday, December 18th

On-Stage Rehearsals
Monday, December 12th-
Thursday, December 15th

Rehearsals and Performances
Woodburn Auditorium,
BHSU Campus

All rehearsals and performances
are mandatory.

Studio Policy Reminders:

- Attendance is very important as we prepare for The Nutcracker. Each time a dancer misses class takes away valuable time from the entire class. Please be sure to make attendance a priority. Dancers who miss 5 classes will not be allowed to perform.
- Dancers should not arrive at the studio more than 10 minutes prior to class. Students should remain in the dressing room or waiting room until their class begins. Our building is shared with other businesses and apartments. Please be respectful in the shared space.
- Year in full tuition is due Oct. 31st in order to receive the discounted rate. For families paying the split payment, the 2nd tri-semester payment is due December 10th.

Nutcracker Notes...

Every other year, BHDC brings to life one of the most famous ballets, *The Nutcracker*. We find it to be a wonderful experience for our dancers to take part in this holiday tradition. The performances will be Dec. 17th and 18th, however, classes have already begun working on choreography.

The week of the performance, December 12th-16th, dancers will be rehearsing on stage. We try to schedule the stage rehearsals as close to the studio class schedule as possible, however some classes will be called at different times or on different days. The schedule for Nutcracker week will be posted at the studio in November. Please let us know immediately if you have any conflicts in December.

Black Hills Dance Centre owns all the Nutcracker costumes and props, so dancer families will not be asked to purchase anything. However, we do require all dancers pay a production fee to help cover the expenses for a production this large. This fee will go toward all production costs, including costume cleaning and mending.

Nutcracker Fee: \$30 due December 10th
Families with more than 1 dancer- \$20 for each additional dancer
